Greetings brethren in the name of our Lord Jesus Christ. How it blesses our hearts to be involved in the Father's business. Our Lord said it best in John's gospel, "Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work." John 4.34

God blessed our Vacation Bible School this year. We had over 40 different children attend, and had several first time visitors. The theme this year was "Wacky Science". I was the professor and used various science experiments to illustrate wonderful Bible truths. Thanks to everyone who sent candy and other items, as well as our church folk who made snacks and came out to help. You can view a video of our VBS if you go to www.untotheuttermost.com/Multimedia.html

Please pray for our community. **We have had 2 tragic deaths in the past month.** Two of our Kids 4 Truth Club kids lost their mother. Pray that hearts will be tender. God has given us opportunity to reach out to the families, and some have asked questions. This has given us opportunities to speak to them of their need for Jesus, and we are earnestly praying that God will open their eyes to the truth.

The New Testament distribution is underway, and we plan to continue door knocking throughout the fall and winter months.

We will be going out to visit family and present the work for three weeks during the month of October. We are blessed to have Bro. Perry Abrams and his family from Anchorage coming out to fill in while we are away.

Last week we celebrated 2 years on the mission field. We praise God for His faithfulness, and for all of you who are part of the Lord's work here. We are encouraged by the seed that has been sown, and will be sown. We look forward to what God has in store for the villages of Southwest Alaska in the years to come.

"Cast thy bread upon the waters: for thou shalt find it after many days."
Eccl. 11.1

Because of Him,

Todd, Eva & Abby Caudle
