

The Caudle Family

Missionaries to Alaska

Mar / Apr
2009 Report

THE CAUDLES ARE HEADING NORTH TO ALASKA!

We knew this would be an exciting year, but we had no idea it would be THIS exciting!!!

In our last prayer letter, I spoke of how God opens doors for us, and He does! The Lord has done just that for us. But, it is one thing to have an open door, and another thing to actually go through the door. By God's grace we are going through this open door, trusting Him all the way. "Faithful is he that calleth you, who also will do it." 1 Thess. 5.24

It is a great blessing to report more churches that have joined our

Support Team:

**Faith Baptist in Ringgold, VA;
Cape Fear Baptist in Wilmington, NC;
Pleasant View Baptist in Eden, NC and
Summerfield Baptist Temple in
Summerfield, NC.**

During the month of April I spent three weeks in Alaska, meeting with pastors and a missionary pilot in the Anchorage area. I also visited the remote town of Dillingham in the Southwest (which is among the Yupik people), that is in need of a preacher. There is a small group of precious believers there, who want us to come. **Not only is there a great need in this hub village, but also to reach the surrounding Native villages with the Gospel and to see churches established.**

After much prayer, seeking the Lord, and seeing God's hand in it all, He has made the way so clear. The Lord has given me complete peace, and a confidence that this is where He wants us to be.

Lord-willing, provided the funds for the move come in, we are planning to arrive in Seattle, WA by August 10th, in order to make the last barge north before winter.

We are currently looking to purchase a pick-up truck and an enclosed trailer. We should be able to cover the cost of the truck and part of the trailer cost. **The expenses of our relocation, not including the vehicle, will be a little more than \$16,000 total.**

If you are interested in an itemized list of the expenses, we can send it to you, or you can visit our website to view the details there.

We are also setting up a "moving fund" with our mission board for any special love offerings towards our relocation costs. You can send your check, made payable to PNB, making a note in the memo section "Caudle Moving Fund".

We also are in need of churches, families & individuals to sign up for "Operation Care Package". Our website has all the information, and we will mention it again in the near future.

Prayer Requests

1. Hearts to be prepared for our arrival in Dillingham
2. For a safe arrival in Alaska this August.
3. Additional support to be raised before our relocation date.

Thank you so much for your faithful support!
