The Lost are to be pitied. Even if they reject the Truth, spit on the Bible and shake their fist in God's face. They are, like we were, not too long ago, children of the Devil. Our Lord said, "Father, forgive them; for they know not what they do." This doesn't mean that we agree with their sin, for we must hate the sin, but love the sinner. They are the pawns of Satan, walking blindly through life and unknowingly are in direct opposition to their own soul. For which reason the scripture saith, "In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; and that they may recover themselves out of the snare of the devil, who are taken captive by him at his will."

**We're excited to have Lighthouse Baptist Church in Meaford, Ontario and Barrett's Chapel in New London, Ohio join our team of financial supporters.** What a blessing to see the Lord enlarge your heart for the Yup'ik people!

Also, we'd like to thank Midway Bible Baptist Church in Fishersville, VA for sending a birthday card to Abby – she was so thrilled! Your thoughtful gestures mean so much to us and we appreciate your encouragement.

Recently, we have heard that some of you (our supporting churches) have faced some difficult trials. Your faithful support even through your hardship has blessed and challenged our hearts.

**We now have in hand, all of the necessary paperwork to cross into the United States at the end of March.** There was quite a bit of "red tape" and delays – not to mention the expense involved – we just want to praise the Lord for providing for these expenses through your support.

**The Yup'ik word "Camai" (jum-I) means "nice to meet you"**

**We are beginning to learn some Yup'ik words and phrases as a family.** Some Yup'ik words can be over 20 letters long! How would you pronounce this – Man'a –qaa qanercuutetangqertuq? This phrase asks "Is there a telephone here?" We are certainly glad the books came with audio CD's of a Native speaking each word or phrase! It is encouraging for us to be able to get a little "jump start" on the language, and helps us to use our pre-field ministry time to prepare for the field.

Our hearts are grieved to hear of a 20 year old Yup'ik young lady from Lower Kalskag who was murdered last month in Bethel, AK. Please pray the Lord will allow us to get to the field quickly. **Precious souls are dying, and others are being caught in sin's chokehold** – we desire to share the hope of Christ with them before it is eternally too late.

### Prayer Requests

1. My co-workers salvation.
2. God's continued direction in our relocation.
3. New supporting churches.
4. Our preacher friend, Bro. Don Hardman – undergoing treatment in November for a serious health condition.

Because of Him,

Todd, Eva & Abby Caudle
