Missionaries to Alaska

2009 Report

Dear Brothers and Sisters in the Lord, we rejoice to be serving the Lord on the field! Thank you for standing with us. We are excited to see what God is doing and what He will do, if we will only trust and follow Him. There is Hope for the dear souls of Southwest Alaska! "The Spirit of the Lord God is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound." Isaiah 61.1

We are thankful to report that Central Baptist in Eden, NC and Floyd Baptist in Stoneville, NC have joined our Support Team!

We also praise the Lord for bringing our household goods by barge safely from Seattle. We are in the process of getting unpacked and settled.

Please pray that God will give us wisdom. We need to respect the privacy of the community in our prayer letters. Please understand we must remain vague regarding names or information that could compromise our trust with the village.

We have had several visitors at the church lately, which has been a blessing! Some have been curious, others are just passing through, but God is working nonetheless.

One visitor was kind enough to give us canned food and dry goods. Through this act of kindness, God has dealt with my heart about reaching out to our community through food baskets for the sick, grieving, or those new to our community.

I've had the blessed opportunity to have a Bible study with a family in town. Please pray that God may use this to be a help to them.

I am also looking into ministering to the inmates at the local correctional facility. Please pray concerning this.

As some of you know, we came to Alaska by faith, with 50% of our needed support. God has been faithful, and He has provided me with a job at our local hardware store. This job has not only provided the extra money we needed, but has also been invaluable in providing opportunities to meet the people.

Thank you to EVERYONE who has been sending us Care Packages – they are such a help, and each one is a special blessing to us, and our ministry. We just can't thank you enough!

We appreciate your support – each and every one of you are vital to our ministry here.

We must pray one for another – during these difficult economic times, we are aware that some of our churches are struggling financially.

Prayer Requests

1. God to direct us regarding what ministries He would have us begin with.
2. That God would strengthen the church, so that we can be used to reach out to the community.
3. That God will give us much wisdom in how to "to go out or come in", that His Spirit might have free reign amongst the souls of Dillingham.
