There is a blessed promise given to the missionary, as well as to any believer in Gal. 6:9 – “And let us not be weary in well doing: for in due season we shall reap, if we faint not.” We must, by the grace and power of God, stay at it! We are in well doing! It is the most important task on earth, and the reaping will come, if we faint not.

Thanks to Southside Baptist Church in Ridgeway, VA for joining our support team. It is so encouraging to see the Lord bringing in some much needed additional support.

God gave Eva and Abby the special opportunity of berry picking with two Native ladies. It is a slow process, but opportunities to spend more time with Native people, just thrill our hearts!

Abby has been helping us a great deal in the ministry. God has even used her interaction with the village children to open doors of ministry.

Please pray for a family who recently lost their son in a tragic accident. It has deeply affected the community, and we pray the Lord will use it to tender hearts, as we reach out to this family and those involved.

Please continue to pray for the jail ministry. **One inmate made a profession of faith in September.** The difficulty with these inmates, and a great burden to my heart, is that there is often no church to direct them to when they go back to their village. Please pray for the Lord to send more laborers into the villages of SW Alaska.

Our Kids 4 Truth Club children are earning their own Study Bibles, and working with them each week is a real joy for us. Please pray for more children to come out, get saved and grow in the Lord.

Several new visitors have been out to church in the past two months, and one Native man in particular has been coming out since relocating to Dillingham. He claims to know the Lord and I have been meeting together with him for Bible Study/Discipleship each week. Please pray for him, and that others I have invited to the study will come.

Because of Him,

Todd, Eva & Abby Caudle
